CHALLENGE 2025

Challenge 2025 is our commitment to changing the future of gardening for the better. People use their tools to improve the environment around them, so why use petrol – a power source that will ultimately destroy the atmosphere?

We believe that the future for outdoor power equipment is battery powered, and we want you to join us in making battery the number one choice within five short years.

The time has come to take up the challenge, and together, create a cleaner, quieter and safer future.

OUR STORY

EGO is part of a global manufacturing business established in 1993, employing over 7,000 people and producing over 10 million units each year, which are sold in over 30,000 outlets in 65 countries worldwide. As a market leader in cordless outdoor power equipment, our strength in depth and desire to break new ground has helped us achieve exceptional growth while being environmentally conscious.

Launched into Europe in 2014, EGO continues to push the boundaries of cordless technology with a range of award-winning products that are creating a cleaner, quieter and safer future whilst delivering superior performance.

Our commitment to a greener environment

EGO's commitment to innovation is driven by a talented team of over 400 highly qualified technicians responsible for developing and delivering clean, reliable power tools for today's switched-on customers. Our desire to create a greener future is brought to life through our **Challenge 2025** initiative, but isn't limited to the products we develop, it also pervades the ways we operate and the places we work.

In 2004 we installed a 7,000m² Green Roof system to our dedicated R&D facility. This has saved the equivalent of 5 litres of petrol per m² each year. The roof of our Green Power Industrial Park features

a 2-megawatt photovoltaic power station. Known as 'The Blue Roof' the power this generates, year-on-year, saves the equivalent of 755 tonnes of coal, as well as cutting Sulphur Dioxide emissions by 50 tonnes and Carbon Dioxide emissions by 1677 tonnes annually. The Green Power Industrial Park also utilises the latest in ground-source heating, air-conditioning and water-storage technologies. The ground-source heating system alone saves a massive 1 million KWh of electricity annually, the equivalent of 378 tonnes of coal. Cutting Sulphur Dioxide emissions by around 25 tonnes and Carbon Dioxide emissions by 839 tonnes each year.

Our passion for improving the environment won't stop here. This is only the beginning.

For more information on Challenge 2025 and our five-year vision, visit our website challenge2025.eu.

ALL THE POWER OF PETROL. MINUS THE PETROL

For the first time in generations the outdoor power equipment market is changing. In the single biggest advancement in technology since petrol-powered mowers arrived on the scene over 100 years ago, fossil fuels are being replaced by cleaner, greener energy.

Introducing the innovative EGO Power+ system from the cordless specialists. A smarter way to power through gardening and landscaping tasks.

EGO Power+ delivers petrol-matching power, just without the noise, fuss or fumes. Our industry-leading 56V Arc Lithium battery technology offers a new level of performance, giving you the dependable power you need to keep working hard until the job's done.

The minute you try this revolutionary cordless system you'll never look back. Comfortable to use, with impressive run times and fast recharge, there are no trips to the petrol station for fuel and no more having to store highly flammable liquids. Instead, you get the freedom to work exhaust and emission free.

For total compatibility, the same 56V Arc Lithium battery fits almost every tool in the EGO Power+ range*. Just click the battery and you're ready to go.

For peace of mind, all EGO Power+ tools come with a domestic user 5-year tool warranty and 3-year battery warranty, when you register your purchase within 30 days. Our improved warranties for professional users now vary from 1 to 3 years on tools and batteries when registered within 30 days of purchase, please see pages 12-13 for full details.

*12V Shrub Shears not compatible with Arc Lithium 56V battery system.

NEW FOR 2020

MORE IMPRESSIVE TOOLS MORE GROUND- BREAKING TECHNOLOGY

The latest tools from EGO Power+ offer technological advancements that make even the toughest tasks a breeze. Whether you're cutting grass, sawing logs, cleaning hard surfaces or harvesting olives, there's a tool for every task.

Fully compatible with EGO's 56V Arc Lithium battery system, you can expect the same impressive run times and super fast recharge times as standard.

THE POWER TO OUT PERFORM PETROL

BETTER FOR THE ENVIRONMENT

With zero emissions during use, our 56V Arc Lithium battery gives petrol-matching power but without the fuss and fumes

BETTER FOR YOUR HEALTH

EGO Power+ tools always operate at lower noise and vibration levels than traditional petrol-powered tools

EASY SET UP AND STARTING

No filling up with fuel; with EGO Power+ just click in the battery and get to work

LOWER RUNNING COSTS

The cost of running an EGO Power+ product for a month is around the same as using a 2 stroke product for a day*

SAVE TIME

No more trips to the petrol station. No time-consuming servicing and maintenance to slow you down

FOLD FLAT, EASY STORE DESIGN

Unlike large, heavy petrol mowers, the EGO Power+ fold-flat design makes storage and cleaning simple

NO PETROL TO STORE

Instead, EGO's rapid charger refuels batteries in as little as 30 minutes - less than the run time you get from a full charge

**KINDER TO YOU,
YOUR WALLET
AND THE ENVIRONMENT**

There are so many reasons to change to battery powered tools

Powered by our industry-leading 56V Arc Lithium battery, the EGO Power+ system delivers petrol-matching power but without any of the downsides. It's simpler, cleaner, quieter, and with less vibration, it's more comfortable to use. Lower running and maintenance costs means switching to EGO Power+ will lead to long term savings. Plus, with zero emissions during use, you can do your bit to reduce your impact on the environment too.

*Based on average daily use of 3 litres of post mix fuel per day

LONG-LASTING WARRANTIES FOR LONG-LASTING PRODUCTS

At EGO we pride ourselves on manufacturing products that not only have petrol-matching power, but are reliable and robust too. That's why all our products are covered by extended warranties* that you can rely on.

The support of our service dealer network

With a nationwide network of EGO approved service dealers, you're never too far from the support you need. We can select the most suitable tools for your needs, give you face-to-face advice whenever you need it and provide a diagnostic service to keep your tools running for years to come.

30-day money back guarantee

We also offer a 30-day money back guarantee for any domestically used EGO Power+ tools, so if you're not completely satisfied you can return your product for a full refund.

†30 day money-back guarantee is not available on tools used for professional purposes, 12V shrub/grass shears, batteries and chargers (unless purchased as part of a set). *For defects caused by material or manufacturing fault. This does not cover wear and tear. Full terms and conditions are available on our website.

EGO™
POWER+ BATTERY & CHARGER

WITH THE CAPABILITY TO OUTPERFORM PETROL,
OUR INNOVATIVE RANGE OF BATTERIES AND
CHARGERS DELIVER ALL THE POWER YOU NEED.

Why 56V?

Our team of experts have completely revolutionised battery technology to deliver the optimum power and performance for outdoor cordless equipment. The 56V Arc Lithium battery is a marvel of engineering that surpasses the competition on every level. Our 56V batteries deliver more usable power than any other hand-held battery. The four portable batteries in our range optimally cover all applications, from leaf blowing to heavy duty cutting.

Fast recharge

All this clever thinking not only delivers the industry's highest energy capacity in a portable hand-held battery. It also means when it's time to recharge, the EGO Power+ 56V Arc Lithium battery is the quickest around.

EGO POWER+ ARC LITHIUM DELIVERS THE INDUSTRY'S HIGHEST ENERGY CAPACITY*

*For portable handheld batteries.

Our unique patented 56V Arc Lithium technology is designed like no other battery. It's why it performs like no other battery

Let's start talking about petrol beating performance. The EGO Power+ 56V Arc Lithium battery has an innovative design to maximise battery cooling. It's simpler, cleaner, quieter and with less vibration is more comfortable to use. Impressive run times and fast recharge offer the ultimate in convenience.

Unique Arc design

Unlike conventional brick-shaped batteries where the cells are packed together, the Arc design increases surface area, places the cells close to the surface and fits onto the outside of our tools. This dissipates heat more effectively, preventing overheating and shut downs.

EGO POWER+ ARC LITHIUM BATTERY, DESIGNED TO MAXIMISE PERFORMANCE

The patented 56V Arc Lithium battery doesn't just manage heat, it maximises cooling

A battery gets hotter the longer it's used. The more power it generates, the more heat is released. Too much heat and the battery will shut down for safety. Heat also degrades cells over time, reducing battery life. That's why batteries must be cooled effectively to increase performance run time and battery life.

Our batteries have been designed to cool effectively in three innovative ways: mechanically, chemically and electronically.

Increased surface area

The battery Arc shape has been carefully designed to optimise cooling and reduce overheating. Unlike "brick shaped" batteries, the individual battery cells are positioned adjacent to the external housing so heat can be easily transferred away from the cells.

Unique Arc shape battery technology

Traditional brick shape battery

Keep Cool™ Technology

It's not just the innovative Arc design that helps prevent overheating. The battery has another clever way to keep cool. Each and every cell is surrounded by our unique Keep Cool™ phase change material that absorbs heat energy and keeps individual cells at their optimum temperature for longer run times.

Exterior mounted battery

Unlike other manufacturers, our batteries fit onto the outside of our tools and are not encased on the inside which means they stay cool to deliver longer lasting power. To keep them safe and sound, the electronics are protected from dust and moisture by a resin coating and the cells are packaged in a robust case that absorbs shocks and vibrations.

Intelligent power

Power is nothing without control. It's why the EGO Power+ 56V Arc Lithium battery is continuously controlled by software and microprocessors within the battery and by the tools' intelligent power management systems. These constantly monitor and optimise each individual cell, so you always get the very best power, performance and run time.

For more information on how EGO Power+ batteries work, and what makes them so revolutionary, download the Battery FAQ document on our website.

egopowerplus.co.uk/FAQdownload

A BATTERY FOR EVERY TASK

From the lightest 2.5Ah to the largest in the range, as the batteries go up in size, so do the power and run time. Whatever model you decide on they have all been engineered for the best protection against heat, and are designed to fit all of our tools.

Power and comfort, combined

The ergonomic EGO Power+ backpack harness is the most comfortable way to enjoy our industry-leading power. An alternative option to attaching the battery directly to the tool, weight is distributed evenly for a lighter, more comfortable way to work.

BH1000 BACKPACK HARNESS

The BH1000 is ideal for taking the weight of the battery from your arms. This provides greater stability and comfort especially when using our larger batteries over prolonged periods.

BHX1000 PROFESSIONAL-X BACKPACK HARNESS

The BHX1000 has been designed with the professional user in mind and when used together with the AFH1500 harness (supplied separately or as part of a kit) provides exceptional comfort for all day use. The BHX1000 is compatible with the Professional-X series and with the ADB1000 adaptor can be used with all other EGO tools. The AFH1500 Harness (supplied separately) is compatible with the BHX1000 and the BAX1500 Professional-X backpack battery.

POWER+ PROFESSIONAL X BACKPACK BATTERY

BACKPACK BATTERIES THAT WORK AS HARD AS YOU DO

Team up your EGO Power+ tools with one of our Lithium-ion backpacks

Balancing exceptional run time with user comfort, EGO's Lithium-ion BAX1300 and BAX1500 backpacks are ergonomically designed to keep you working all day long. The battery pack can be removed from the harness* allowing the battery to be shared amongst multiple users, each with their own harness. To ensure optimum performance, efficiency and longevity, these high-energy capacity batteries incorporate intelligent individual cell monitoring and balancing, both when it's powering a tool and when it's recharging.

Designed to perform, built to last

Delivering the run times you demand, EGO Power+ backpack batteries can give you a full day's work** from a single charge. The high-quality cells, with both high power rating and high energy density, can handle in excess of 1,000 charge cycles. Plus, with fast recharging, you can go from empty to full in just 3.5 hours.

Flexible performance

They're compatible with all EGO Power+ tools, and as the battery is on the harness and not on the tool, the tools are even lighter and easier to use.

*Note the harness straps are supplied with padded comfort straps and may appear different.
**Dependent on the tool and based on an 8 hour working day.

BAX1500 PROFESSIONAL-X BACKPACK BATTERY

The EGO Power+ Professional-X backpack battery delivers the power output and run times needed for demanding jobs. In fact, it outperforms many of the petrol products currently in use. All minus the noise, fumes and vibration.

To make sure it's extremely tough and durable, we tested it to the extreme too. The Professional-X backpack battery can handle the heaviest downpours and still power the tool. Plus, the super robust casing is designed to take all of the knocks you can throw at it.

FROM EMPTY TO FULLY CHARGED IN JUST 30 MINS

With a range of battery sizes available from 2.5Ah to 28Ah, you can choose the power you need to tackle any task. When it's time to recharge, the EGO Power+ rapid charger is the fastest on the market.

The intelligent battery control system constantly monitors each cell's power and temperature to deliver the most efficient and quickest charge.

Plus, the fan-cooling system allows the battery to start charging sooner and finish faster. As a result, the time it takes to refuel the battery is often less than the run time you get from a full charge. In fact with the rapid charger, the 2.5Ah battery takes just 30 minutes. So with two batteries on the go, you'll have all the power you need, all day long.

EGO[™]
POWER⁺ PROFESSIONAL X RANGE

PETROL-MATCHING BATTERY POWER MEETS
SUPER TOUGH DESIGN AND CONSTRUCTION
IN OUR PROFESSIONAL-X RANGE.

AIR SPEED: 212km/h

FORCE: 19.2N

1014m³/h
AIR VOLUME

$$P = \frac{F \times D}{T}$$

SUPER TOUGH. SUPER POWERFUL. INTRODUCING THE EGO PROFESSIONAL-X RANGE

When we created our EGO Power+ Professional-X range we set our standards high. Not content with developing a range of tools that redefined what cordless tools can do – we looked to deliver power and performance that exceeds their petrol-powered equivalents.

Designed to work harder, all-day every day, in the most challenging conditions. This range of high-spec tools and backpack battery take petrol-free working to a whole new level, ensuring productivity levels remain high.

Built to last and last

All tools in the Professional-X range are engineered to last longer, so you can cut maintenance time down to size. And because they are quieter, lighter with no fumes and less vibration, you can work comfortably for longer.

New range – same compatibility

EGO is a name you can rely on. With a history of cordless power innovation, we know the ability to mix and match batteries, backpacks, harnesses and tools is vital. This level of complete flexibility continues with the Professional-X range.

AT LOAD SPEED

LESS VIBRATION, LESS NOISE, MORE USER FRIENDLY

Another great reason for choosing EGO is that you can power through any job, without the excess physical stresses and strains associated with heavy, noisy and vibrating petrol-powered tools.

A big benefit of choosing EGO's low-vibration cordless tools is how they help users avoid the risk of Hand-Arm Vibration Syndrome (HAVS). Also known as 'Vibration White Finger' it causes painful and disabling disorders of the blood vessels, nerves and joints.

$$P = \frac{F \times D}{T}$$

CUTTING CAPACITY: 33MM | TOOTH DEPTH: 20MM

Designed so you can work comfortably all day long

With a smooth brushless motor and fewer moving parts, all EGO Power+ tools have been designed to operate with low levels of vibration, often under the 2.5m² Exposure Action Value limit (EAV) and well below the Exposure Limit Value (ELV).

This allows you to comfortably work with them all day long without any risk to your health. So, choose EGO Power+ and protect yourself every working day.

They are much quieter too

Let's face it. Petrol tools are noisy and daily exposure can lead to hearing loss and also tinnitus – a permanent ringing sensation in the ears. Fortunately the EGO Power+ range is much quieter than petrol-powered alternatives, reducing the risk of potential damage, especially over long-term use.

Operating noisy equipment can also lead to an increase in work-related stress. Many factors are known to contribute to this condition and rarely there is a single cause. However, because EGO Power+ tools operate at lower sound levels, the working environment is quieter and less stressful for the user.

CARBON FIBRE SHAFT

NOISE: LpA 80dB(A) | VIBRATION: 1.5m/s²

THE TOUGH ANSWER TO ROUGH GROUND

Perfectly balanced for comfortable use, EGO's Professional-X line trimmers / brush cutters make short work of even the roughest ground with the ready-for-anything 2KW motor.

Light yet strong, the solid steel drive shaft is housed in a carbon fibre drive tube. Unlike alloy shafts, it won't bend and lose its shape over time, keeping vibration levels to a minimum.

EFFICIENT AND POWERFUL BRUSHLESS MOTOR
For longer running times

VARIABLE SPEED TRIGGER WITH SAFETY LOCK-OFF

NEW FOR 2020

TAKE TRIMMING TO THE NEXT LEVEL.

The EGO Professional-X RotoCut attachment cuts through grass, weeds and moss on concrete, pathways and verges with ease. Featuring two counter-rotating blades instead of line, it maximises run-time and most importantly, prevents debris from being thrown, making it ideal for use in built up areas where risk of damage or injury is particularly acute. With a low profile on the gear box, it can take on the most difficult to reach areas.

The base plate is mounted on bearings, increasing the overall life of the tool and reducing pavement damage. The blades have been designed to ensure clean and efficient cutting performance whilst maintaining durability.

RotoCut can be used with any rear motored tools or EGO line trimmer multi tools, making it the ultimate attachment for added precision and power.

RTX2300 PROFESSIONAL-X ROTOCUT

RotoCut's flat design and simple attachment process means it can fit to most rear motor brush cutters and line trimmers on the market.

CUTS CLEANER, RUNS LONGER. MAKES CUTTING HEDGES SHORT WORK

Designed for professionals, the Professional-X hedge trimmers are precision engineered to tackle the toughest hedges with ease.

A single charge delivers impressive run times, while the smooth and quiet brushless motor and gearbox give you all the power you need, without the vibration, fumes and noise of a petrol engine.

Blades that cut cleanly

The high-quality EGO Power+ blades are made from laser-cut steel with diamond-ground edges to provide the cleanest cut and promote healthier hedges.

HTX6500 65CM PROFESSIONAL-X HEDGE TRIMMER

Powerful, smooth and perfectly balanced, the dual trigger system provides enhanced user comfort and safety. Making it perfect for any job, big or small.

HTX7500 75CM PROFESSIONAL-X HEDGE TRIMMER

EGO[™]
POWER⁺ MULTI-TOOL

WE'VE RE-DEFINED FLEXIBLE WORKING. CUT, SAW,
EDGE AND MORE. ALL WITH ONE POWER UNIT AND
ALL WITHOUT THE FUSS AND FUMES OF PETROL.

THE EGO POWER+ MULTI-TOOL. ONE TOOL, LOTS OF OPTIONS

With a single power unit and a range of high-tech attachments, the EGO Power+ multi-tool lets you breeze through a variety of jobs. Whether you're cutting grass, edging lawns, trimming hedges, sawing branches or tilling soil, switching between attachments is quick and easy thanks to our simple and secure tool-free coupling system. Plus our extension pole gives you the reach to tackle any height. Add to that our innovative 56V Arc Lithium battery and you have all the power you need, without the fuss or fumes and with less noise than traditional petrol-powered tools.

Attachments available:

- Hedge trimmer
- Short hedge trimmer
- Pole saw
- Line trimmer
- Brush cutter
- Edger
- Cultivator
- Extension pole
- Bristle brush
- Olive shaker

*THE POWER TO REACH
NEW HEIGHTS*

THE POWER TO TACKLE ANY TASK

**One revolutionary power unit.
Nine ways to use it.**

Our most versatile tool yet, the EGO Power+ multi-tool makes more possible. Featuring nine different attachments, easily switch from trimming to cutting to sawing to edging to tilling.

BRUSH CUTTER

Made tougher, the brush cutter is built to deal with difficult undergrowth. From thick grass to tough weeds and undergrowth, cut through the most troublesome tasks with ease.

EDGER

Give lawns a professional finish with the edger attachment. Ideal for neatening edges along paths, driveways or flowerbeds.

HEDGE TRIMMERS

With our standard version ideal for shaping high and wide hedges and branches, and our short version for lower tasks, the head angle is adjustable to suit the job at hand and allows for storage in small spaces.

CULTIVATOR

The cultivator's teeth prepare soil prior to planting. Removing weeds and introducing air, it creates a loose bed, encouraging the growth of healthy plant life.

POLE SAW

Slices through tree branches fast and efficiently. Combine with the carbon fibre extension pole to reach further and cut more.

BRISTLE BRUSH

Make short work of sweeping hard surfaces with our easy-to-attach bristle brush. The 1.5mm bristles make it ideal for cleaning the toughest areas whilst protecting the operator from flying debris.

LINE TRIMMER

Trim grass along fences and walls with professional precision. Includes our Rapid Reload head, making it easier than ever to replace line.

OLIVE SHAKER

Shake ripe olives off branches at approximately 2000 strokes per second, with 10 replaceable carbon fibre fingers, a durable and market tested gearbox and integrated lubrication for simple maintenance.

SIMPLE AND SECURE COUPLING MECHANISM

BE READY FOR ANYTHING WITH EGO POWER+ MULTI-TOOL KITS

A great value way to enjoy all the benefits of petrol-free power. EGO Power+ multi-tool kits combine the tools you need, with the power and performance to get the job done.

MULTI-TOOL KIT MHCC1002E

With everything you need to tackle all jobs above the ground, this kit includes the power head with hedge trimmer and pole saw attachments together with a 2.5Ah battery and rapid charger.

Includes:

- PH1400E - Power head
- HTA2000 - Hedge trimmer attachment
- PSA1000 - Pole saw attachment
- BA1400T - 2.5Ah battery
- CH5500E - Rapid charger

MULTI-TOOL KIT MHSC2002E

Our ultimate multi-tool kit includes the power head with line trimmer, hedge trimmer, pole saw and edger attachments, along with a 5.0Ah battery and rapid charger.

Includes:

- PH1400E - Power head
- STA1500 - Line trimmer attachment
- HTA2000 - Hedge trimmer attachment
- PSA1000 - Pole saw attachment
- EA0800 - Edger attachment
- ABB1203 - Brush cutter blade
- BA2800T - 5.0Ah battery
- CH5500E - Rapid charger

EGO[™]
POWER⁺ MOWER

WITH A RANGE OF CUTTING CAPACITIES, POWERFUL VARIABLE SPEED MOTORS AND SELF-PROPELLED MODELS, TACKLE ANY SIZE LAWN WITH EASE.

**VARIABLE SPEED SELF-PROPELLED MOTOR
KEEPS YOU IN CONTROL AS YOU CUT**

**VARIABLE SPEED
SELF-PROPELLED MOTOR**
Cut at a speed that suits you

For convenient storage
and easy cleaning

**LARGE DIAMETER
WHEELS**
For easy motion

**6-POSITION SPRING
LOADED DECK HEIGHT
ADJUSTMENT**
Set heights from 20-95mm

CUTTING CAPACITY
42-52 cm

**CUTS LIKE A
PETROL MOWER.
JUST CUTS OUT
THE PETROL**

Significantly quieter than a petrol mower with far lower service costs and zero emissions during use, the EGO Power+ mower range offers a variety of cutting capacities.

The variable speed self-propelled motor keeps you in control as you cut. Plus on a single charge our battery gives you up to 1650 sqm cutting area*. Automatic Variable Speed on selected models, delivers optimal cutting speed to maximise battery run time whilst maintaining grass cutting performance.

The 3-in-1 functionality lets you cut, bag or drop clippings while the LED headlights let you work further into the day. And when you're done, the easy-fold design makes cleaning and storage simple.

Please note: some features are not available on all models

*Based on a 10.0Ah battery using LM2120E-SP. Cutting area can vary depending on model and battery as well as condition of grass and user operation technique.

42CM MOWER
CUTS UP TO **400SQM**
ON A SINGLE CHARGE
2.5Ah BATTERY

47CM MOWER
CUTS UP TO **800SQM**
ON A SINGLE CHARGE

52CM MOWER
CUTS UP TO **1200SQM**
ON A SINGLE CHARGE
7.5Ah BATTERY

1000sqm is approximately the size of 4 tennis courts.

A MOWER FOR EVERY LAWN. THE RIGHT TOOL FOR THE JOB

The EGO Power+ mower range showcases a variety of specifications designed to make lawn care quicker, easier and more efficient. And with model sizes ranging from 42cm to 52cm cutting width, there's an option for every task.

Technologically advanced in every way, each mower packs incredible petrol-matching power as standard. Thanks to our revolutionary Arc Lithium 56V battery system, they make minimal noise, emit zero fumes, and start up at the touch of a button. Plus, with an easy-fold design, they're surprisingly simple to store.

While these benefits apply to all EGO Power+ mowers, key differences make some models better suited to specific kinds of gardens.

Check out our handy diagram above to identify the size of the space you need to cover on a single charge, and therefore the mowers that are suitable for you.

CHOOSING THE RIGHT MOWER:

Small, tight spaces, or close to trees

For smaller spaces and improved precision around obstacles, mowers with a smaller cutting capacity are ideal.

LESS ROOM TO WORK WITH?
Our compact 42cm model LM1700E is perfect for smaller spaces.

Bigger, open spaces

A mower with a wider cutting capacity will help you cover more ground in fewer passes. Opting for a bigger battery will increase run time, as will automatic cutting speed control. For a quick clean-up, a larger capacity bag can collect more grass and needs emptying less often.

LARGER LAWN?
Try our 52cm model LM2120E-SP which makes even the biggest jobs feel small.

Sloping ground

Using a self-propelled mower takes the strain out of pushing the mower uphill.

Additional comfort

If comfort is a priority, poly deck models are the lightest option. Self-propelled mowers require less effort, and with an adjustable handle, you can decide on the most suitable height.

Finishes

The EGO Rear Roller Kit is a simple and effective way of enabling your EGO mower to stripe your lawn, giving you a manicured look whilst keeping the versatility of being able to mulch and rear discharge clippings.

Grass collection

There are 3 different ways that EGO Power+ mowers deal with cut grass. Great for lawns that aren't too thick, mulching redistributes grass particles and fertilising nutrients. Having a side discharge allows for quicker mowing through thick and long grass. Bag collection keeps lawns clear of any cuttings.

LM1700E
42cm MOWER

With 42cm cutting capacity, brushless motor and 55L collection bag.
Mulching kit ABP1700 and rear roller kit AR1700 are available to purchase.

ONLY AVAILABLE AS KIT LM1701E

CUTS UP TO 400SQM WITH 2.5Ah BATTERY

LM1700E-SP
42cm SELF-PROPELLED MOWER

Self-propelled mower with a 42cm cutting capacity, brushless motor and 55L collection bag. Mulching kit ABP1700 and rear roller kit AR1700 are available to purchase.

ONLY AVAILABLE AS KIT LM1701E-SP

CUTS UP TO 300SQM WITH 2.5Ah BATTERY

NEW FOR 2020

TRIM WITH POWER AND PRECISION

Powered by the 56V Arc Lithium battery, EGO Power+ line trimmers give you all the power you need to tackle the toughest jobs. The quick-adjust handle offers optimum balance and control, while the large cutting swathe cuts any task down to size. Plus, the soft-start function and constant speed control ensures consistent trimming every time.

Built with ease-of-use in mind, ergonomic design, super-fast charging and groundbreaking Powerload™ technology* combine to create a truly revolutionary tool.

*Available on selected models

Please note: some features are not available on all models

**POWERLOAD™
TECHNOLOGY**

**THE WORLD'S FIRST
LINE TRIMMER WITH
POWERLOAD™ TECHNOLOGY**

Solving one of the biggest frustrations of line replacement, EGO's ground-breaking Powerload™ technology automatically winds your trimmer. Just thread the line, press the Powerload™ button and let the tool do the rest. Available on ST1510E and ST1511E.

STEP 1

Thread the line

STEP 2

Press the Powerload™ button to load line

**ST1510E
38cm LINE TRIMMER**

Our first line trimmer with Powerload™ technology for automatic line replacement. Features variable speed and large 38cm cutting swathe.

Includes AP1500 Single Shoulder Harness

EGO™
POWER+ HEDGE TRIMMER

LIGHT, YET POWERFUL, OUR NEXT GENERATION OF CORDLESS HEDGE TRIMMERS GIVE YOU ALL THE COMFORT AND CONTROL YOU NEED TO GET THE JOB DONE.

**DIAMOND GROUND LASER CUT BLADES
FOR PRECISE CLEAN CUTS**

**BALANCED,
PRECISE,
POWERFUL**

Powered by the petrol-matching 56V Arc Lithium battery, a single charge delivers such impressive run times that you'll be amazed at how much hedge you can cut.

The well-balanced design also has a number of clever features to make using for long periods of time more comfortable. The rotating handle and dual trigger system provide enhanced user comfort and safety.

While the smooth and quiet brushless motor and gearbox gives you all the power you need, without the vibration, fumes and noise of a petrol engine.

Please note: some features are not available on all models

Rotating rear handle

Two-speed selector

HT2400E
61cm HEDGE TRIMMER

Single speed 61cm blade length, 22mm blade gap with single knife-edge cutting action.

AVAILABLE AS A KIT

HT2410E
61cm HEDGE TRIMMER

Single speed 61cm blade length, 26mm blade gap with single knife-edge cutting action.

HT5100E
51cm HEDGE TRIMMER

Two-speed 51cm blade length, 33mm blade gap with double-sided knife-edge cutting action and rotating rear handle for comfort and control.

HT6500E
65cm HEDGE TRIMMER

Two-speed 65cm blade length, 33mm blade gap with double-sided knife-edge cutting action and rotating rear handle for comfort and control.

Available in lengths from 51cm to 65cm, there's an EGO Power+ hedge trimmer for every size job.

EGO Power+ hedge trimmers feature double-sided knife-edge†, laser cut diamond ground blades for precise clean cuts. The two-speed selector lets you choose the right speed for every task and the large

cutting capacity means you can get to work on larger hedges with thicker branches and stems.

Blade-tip protection stops damage from fences and walls. For safer working, the safety blade guard helps prevent injuries while the electric brake stops the blades when the trigger is released.

DUAL ACTION DESIGN FOR UNPARALLELED PRECISION

COMPACT WITHOUT COMPROMISE

They may be compact, but they don't compromise on power. Brought to life by a 12V Lithium Ion battery, the EGO Power+ shrub/grass shears are ideal for everyday garden maintenance.

With two attachments included, use the shrub blade to shape and maintain smaller hedges and ornamental trees, or switch to the grass trimmer blade to tackle areas of grass that mowers can't reach. A lightweight, ergonomic design allows for unparalleled precision in either mode, so you can get the perfect result every time.

Simple to use and easy to store, they're an essential addition to every gardener's arsenal.

CHT2001E 12V SHRUB / GRASS SHEARS

Single speed 20cm blade length, 8mm blade gap with single knife edge cutting action. Can be used as either shrub or grass shears.

EGO[™]
POWER⁺ CHAINSAW

BUILT FOR THE TOUGHEST JOBS, POWERED BY
OUR 56V ARC LITHIUM BATTERY TECHNOLOGY,
NOTHING GETS IN THEIR WAY.

Durable bar and chain

NEW FOR 2020
AUTO CHAIN TENSIONING

IT CUTS, CUTS AND CUTS SOME MORE

The EGO Power+ chainsaws are built tough to tackle even the hardest jobs. Trunks, logs, branches, nothing gets in their way.

Choose simple, safe Auto Chain Tensioning to maintain proper tension during use or opt for tool-free chain tensioning for easy set up and adjustment. Check the lubrication level through the oil inspection window and you're ready to go.

It really cuts it when it comes to safety too. The chain kickback and electric brake protect you while you work. And the auto-lubrication system keeps the chain spinning freely at all times.

Plus with EGO's 56V Arc Lithium battery delivering such an impressive run time and incredible power on a single charge, it'll keep you working cut after cut after cut.

AUTO CHAIN TENSIONING
For simple safe tensioning turn over to discover more >>

NEW FOR 2020

SIMPLE, SAFE CHAIN TENSIONING

AUTO CHAIN TENSIONING

The EGO Power+ 18 inch chainsaw with Auto Chain Tensioning is built tough to tackle even the hardest jobs. With a high speed 20m/s chain speed and a powerful motor, nothing will get in the way.

All guesswork is removed when it comes to the correct chain tension thanks to an auto tensioning feature. When replacing or tensioning the chain, simply loosen the sprocket cover on the saw, re-tighten and you're ready to go.

It's perfect for low light too thanks to a powerful LED light.

*Number of cuts may vary and depend on the battery used, charge level of battery and user's operation technique. Based on 100mm x 100mm cuts.

EGO[™]
POWER⁺ BLOWER

WITH HIGH-EFFICIENCY BRUSHLESS MOTORS AND JET TURBINE TECHNOLOGY, EGO POWER⁺ BLOWERS OFFER MAXIMUM AIRFLOW WITH MINIMUM EFFORT.

Power setting switch

THE BACKPACK BLOWER THAT PACKS A PUNCH

Big jobs need big power. And that's what the EGO Power+ backpack blower delivers. With the ability to blow over 1020m³ of air per hour on Max mode, the leaves don't stand a chance. With up to 2 hours run time* you can cover plenty of ground too.

But there's more to this clever blower than simply packing a punch. The smooth brushless motor significantly reduces vibration compared to its petrol-powered equivalents. It's a lot quieter too. The comfortable padded backpack frame supports the blower, taking the strain off your arm and distributing the weight more ergonomically, making the backpack blower perfect for those really big jobs.

*120min. at 440 m³/h with 5.0Ah battery - Low air setting

COMFORTABLE AND STURDY BACKPACK FRAME
For comfort during long periods of use

POWER SETTING SWITCH
For efficient power management

ADJUSTABLE HANDLE
For greater reach, control and comfort

VARIABLE SPEED TRIGGER
For precise blowing

VARIABLE LENGTH TUBE
For greater comfort and control

FLEXIBLE TUBE
Gives greater flexibility and comfort whilst in use

HIGH POWERED BRUSHLESS MOTOR
Delivers high air volume and speed

COMPATIBLE WITH ALL EGO POWER+ BATTERIES

LB6000E BACKPACK BLOWER

The hugely powerful, yet ergonomic design is easy to use and packed with all the features you need.

AVAILABLE AS A KIT

	LB6000E		
	Low	High	Max
RUN TIME** WITH 5.0Ah BATTERY	120 mins	22 mins	15 mins
RUN TIME** WITH 10.0Ah BATTERY	240 mins	44 mins	30 mins
AIR VOLUME (M³/H)	440	850	1020
AIR SPEED (KM/H)	80	160	193
SPEED SETTING	Variable speed with boost		
FORCE (N)	19.2 Max		
MOTOR TYPE	Brushless		
NOISE RATING LpA/LwA	83dB(A) 97dB(A)		
VIBRATION (M/S²)	1.5		
WEIGHT WITHOUT BATTERY	5.7kg		
DOMESTIC WARRANTY	5 years		
PROFESSIONAL WARRANTY	2 years		
AVAILABLE AS A KIT	LB6002E: Includes 5.0Ah battery and rapid charger, LB6000E-K1103 Includes 10.0Ah battery and rapid charger		

**Run time may vary and depend on the battery used, charge level of battery and user's operation technique.

Boost button

Compatible with EGO Power+ backpack batteries

BLOWS PETROL-POWERED BLOWERS OUT OF THE WATER

Powered by a high-efficiency brushless motor, EGO Power+ blowers feature jet turbine technology and a large diameter tube to give maximum airflow. With a variable speed function designed to keep you in control, selected models also feature a Boost mode, delivering extra power for those hard to move objects, more than most handheld petrol blowers on the market. That's more than enough power to clear up even the biggest windfall.

JET TURBINE TECHNOLOGY WITH LARGE DIAMETER TUBE TO GIVE MAXIMUM AIRFLOW

VARIABLE SPEED CONTROL
Adjust between 440m³/h and 675m³/h output

BOOST MODE
For a 986m³/h petrol-blower beating output

HIGH-EFFICIENCY BRUSHLESS MOTOR
Delivers more power and greater run time

TURBINE FAN ENGINEERING
Utilises advanced aeronautics technology

LARGE BLOWER TUBE
Greater diameter delivers maximum airflow

Please note: some features are not available on all models

Variable speed control

Flat nozzle ideal for wet leaves

Clears stones from driveway

**LB5300E
BLOWER**

Variable speed setting, large blower tube, up to 900m³/h output in Boost mode

Includes AN5300 Flat Nozzle

AVAILABLE AS A KIT

**LB5800E
BLOWER**

Variable speed thumb selector for added airflow control with single handed use, 986m³/h output in Boost mode

Includes AN6000R (Round) and AN6000F (Flat) Nozzles

EVERYTHING YOU NEED TO KEEP YOU CUTTING, MOWING AND BLOWING

We've got everything you need to keep you working. And everything in the EGO Power+ range is made with the same care and precision as our power tools.

EGO POWER+ MULTI-TOOL BLADES, CHAINS AND BARS

AE80800

Multi-tool edger blade for EA0800

AC1000

Multi-tool pole saw chain for PSA1000

AG1000

Multi-tool pole saw bar for PSA1000

ABB1203

Three-sided multi-tool brush cutter blade for STA1500, BCA1200, BC3800E and BCX3800

ACB9500

Multi-tool cultivator blade set for CTA9500

ARB2100

Paddle broom (pair) for BBA2100

ABS2100

Bristle brush (pair) for BBA2100

A0F3300

Replacement carbon fibre rods for OSA1000 Olive Shaker (replacement fingers)

EGO POWER+ ADAPTER

ADB1000

Adapter for BAX1300, BAX1500, BH1000 and BHX1000

EGO POWER+ MOWER BLADES AND ROLLERS

AB2001

High lift blade for LM2000E, LM2010E, LM2021E-SP, LM2010E-SP and LM2020E-SP

AB2101

High lift blade for LM2122E-SP and LM2120E-SP

AB2000

Standard blade for LM2000E, LM2010E, LM2010E-SP and LM2020E-SP

AB2100

Standard blade for LM2122E-SP and LM2120E-SP

AB1701

Standard blade for LM1700E and LM1700E-SP

AB1901

Standard blade for LM1900E-SP and LM1903E-SP

AR1700

42cm EGO Rear Roller Kit for LM1700E, LM1701E, LM1700E-SP and LM1701E-SP

AR1900

47cm EGO Rear Roller Kit for LM1900E-SP and LM1903E-SP

EGO POWER+ TRIMMER LINES

AL2015R

15m 2.0mm round line with line cutter for ST1210E

AL2050R

50m 2.0mm round line with line cutter for ST1210E

AL2015T

15m 2.0mm twist line with line cutter for ST1300E

AL2050T

50m 2.0mm twist line with line cutter for ST1300E

AL2415T

15m 2.4mm twist line with line cutter for ST1500E, ST1500E-F, BC1500E-F, BC3800E and STA1500

AL2450T

50m 2.4mm twist line with line cutter for ST1500E, ST1500E-F, BC1500E-F, BC3800E and STA1500

MULCHING KIT

ABP1700

Mulching kit containing mulching plug and blade for LM1700E and LM1700E-SP

ABP1900

Mulching kit containing mulching plug and blade for LM1900E-SP

AB1700

Mulching blade for LM1700E and LM1700E-SP

AB1900

Mulching blade for LM1900E-SP

EGO POWER+ LINE TRIMMER SPOOLS

AS3800
Spool with 2.4mm twist line for AH3800.
4 metre line length. Supplied without line

AS1301
Spool with 2.0mm round line
for ST1210E. 7 metre line length

AS1302
Spool with 2.0mm twist line
for ST1300E. 7 metre line length

AS1300
Spool with 2.4mm twist
line for ST1500E and BC1500E.
5 metre line length

EGO POWER+ LINE TRIMMER RAPID RELOAD HEADS

AH3800
Rapid reload head
(anti clockwise rotation)
for BCX3800. Supplied without line

AH1500
Rapid reload head (clockwise
rotation) for ST1500E-F and
BC1500E-F. Supplied without line

AH1501
Rapid reload head (anti clockwise
rotation) for BC3800E and STA1500.
Supplied without line

AH1520
Powerload™ head with 2.4mm twist
line for ST1510E. 4 metre line length

AH1530
Any insert head (clockwise rotation).
Supplied without line

AH1531
Any insert head (anti clockwise rotation).
Supplied without line

ABT3800
Bump-button for BCX3800

ABR2300
Pro blades for
RTX2300 Rotocut

EGO POWER+ BRUSH CUTTER BLADE

ABB1203
Three-sided brush cutter blade
for BCX3800

EGO POWER+ HEDGE TRIMMER TIP PROTECTOR

ATP2000
Tip protector for HTA2000

EGO POWER+ HEDGE TRIMMER BLADES

AHB6500
65cm laser hardened blade for HTX6500E

AHB7500
75cm laser hardened blade for HTX7500E

EGO POWER+ GRASS SHEARS

CCH0450E
12V charger for CHT2001E

CBA0240
2.0Ah 12V battery for CHT2001E

EGO POWER+ CHAINSAW CHAINS

AC1400
35cm 90PX chain for CS1400E

AC1600
40cm 90PX chain for CS1600E

AC1800
45cm 90PX chain for CS1800E

EGO POWER+ CHAINSAW BARS

AG1400
35cm guide bar for CS1400E

AG1600
40cm guide bar for CS1600E

AG1800
45cm guide bar for CS1800E

EGO POWER+ BLOWER TUBES AND NOZZLES

AN6000R
Round nozzle for LBX6000

AN6000F
Flat nozzle for LBX6000

ANT6002
Tube and nozzle for LB6000E

AN5300
Flat nozzle for LB5300E,
LB5800E and LB5750E

AN5801
Wide flat nozzle for LB5800E

GUTTER CLEANING PACK

AGC1001
Gutter cleaning
pack and glasses
for LB5300 and
LB5800

EGO POWER+ SHOULDER STRAPS

AP1500

Single-shoulder harness with loop, one hook for PH1400E, MHCC1002E, MHSC2002E, ST1210E, ST1300E, ST1500E, ST1500E-F, LB5300E, LB5600E, LB5750E, BC1500E, BC1500E-F and BC3800E

EGO POWER+ HARNESES

AFH1500

Frame and double-shoulder harness with padded comfort straps for BAX1500 and BHX1000

AFH1300

Frame and double-shoulder harness with padded comfort straps for BAX1300

ACH1500

Cable hook for BAX1500

AP1500D

Double-shoulder harness for BC1500E, BC1500E-F and BC3800E

AP1300

Replacement double-shoulder comfort straps for AFH1300

AHP1500

Brush cutter hip pad harness attachment for BAX1500

AHP1300

Brush cutter hip pad harness attachment for BAX1300 and BH1000

EGO POWER+ WALL HOOK

AWH1500

Wall mounted frame for hanging BAX1500 and CHX5500

EGO POWER+ BAGS

BCS1000

Durable Chainsaw bag

BMH1000

Wheeled multi-tool bag

EGO POWER+ PROTECTIVE CLOTHING

GV001

Multi-purpose synthetic work gloves. Sizes from Small to XX-Large available

GS001

Essential clear safety glasses

GS002

Essential grey safety glasses

GS003

Essential yellow safety glasses

GSV021E-XL

Essential grey safety glasses and multi-purpose synthetic work gloves (XL)

EGO POWER+ BATTERY STORAGE

BBOX2550

Transportation box that can carry 5 portable batteries of all EGO sizes. Can be connected to BBOX3000

BBOX3000

Transportation box for BAX1500 excluding harness. Can be connected to BBOX2550

EGO POWER+ MULTI-TOOL ICONS

QUICK CHANGE Switch tools quickly for each task	ADJUSTABLE CUTTING ANGLE For comfort and versatility	XXCM CUTTING BLADE Large cutting width for a fast and efficient cut
ADJUSTABLE CUTTING DEPTH Cutting depth to suit any lawn edge	CARBON FIBRE Lightweight and extremely strong	XXCM CUTTING WIDTH Wide cutting width for efficient tilling

EGO POWER+ MOWER ICONS

XXCM CUTTING CAPACITY Cutting width to suit any size lawn	SELF-PROPELLED Variable speed to suit your walking pace	POLY CUTTING DECK Light and manoeuvrable, while remaining durable
METAL CUTTING DECK Tough and durable cutting deck	AUTOMATIC VARIABLE CUTTING SPEED Motor adjusts to grass conditions, saving energy	BRUSHLESS MOTOR Highly efficient and powerful maintenance-free motor

EGO POWER+ LINE TRIMMER AND BRUSH CUTTER ICONS

XXCM CUTTING WIDTH Wide cutting swathe for faster, more efficient trimming	XXCM CUTTING WIDTH Wide cutting width for fast and effective trimming	TWO SPEED Two-speed motor adjustable for task and economy needs
VARIABLE SPEED Constantly adjustable speed to match the needs of the task	X.XMM LINE DIAMETER Ideally suited to the tool for the best cutting results	POWERLOAD HEAD Automatic line replacement in only 10 seconds
BUMP LINE FEED Simple line feeding making work simple and efficient	RAPID RELOAD HEAD Fast and tool-free line reloading	QUICK-ADJUST HANDLE Adjust handle without additional tools
BRUSHLESS MOTOR Highly efficient and powerful maintenance-free motor	CARBON FIBRE Lightweight and extremely strong	USE WITH EGO POWER+ BACKPACK Work all day in comfort
CAN BE USED WITH ROTOCUT Can be used with Rotocut		

EGO POWER+ HEDGE TRIMMER ICONS

XXCM BLADE LENGTH Ideal length suited to the tool for best cutting results	XXCM CUTTING WIDTH Fast, precise grass trimming attachment	XXMM BLADE GAP Enabling precise and clean cutting
TWO SPEED Two-speed motor adjustable for task and economy needs	LASER CUT: DIAMOND GROUND Precisely cut and sharpened for great results	DUAL ACTION: DUAL KNIFE EDGE Less vibration to tackle the toughest jobs
ROTATING REAR HANDLE Rotating rear handle for greater comfort and versatility	BRUSHLESS MOTOR Highly efficient and powerful maintenance-free motor	USE WITH EGO POWER+ BACKPACK Work all day in comfort

EGO POWER+ CHAINSAW ICONS

XXCM BAR LENGTH Ideal for all cutting tasks	XX.XM/S CHAIN SPEED Smooth and fast cutting	CHAIN BRAKE Enhancing safety while in use
BRUSHLESS MOTOR Highly efficient and powerful maintenance-free motor	USE WITH EGO POWER+ BACKPACK Work all day in comfort	AUTO CHAIN TENSIONING Auto chain tensioning
BUMPER SPIKES Metal bumper spikes	LED LIGHT For use in low light areas	

EGO POWER+ BLOWER ICONS

XXXMM BOOST Increased power to clear large areas	VARIABLE SPEED CONTROL Constantly adjustable speed to match the needs of the task	BRUSHLESS MOTOR Highly efficient and powerful maintenance-free motor
USE WITH EGO POWER+ BACKPACK Work all day in comfort
